

VOTED 2007 CLARKSVILLE'S BEST PLACE TO GET A PIZZA

October 25, 2007

Dear loyal customers,

Some of you may have heard that effective October 1, 2007, we are no longer known as Michael's Pizza. I would like to explain a little as to the reason, but first here is my history for those of you who are not aware. Michael's has been around for 22 years and for the last 18 years; I have been a part of the Michael's Pizza family. I began working as an employee hired by the founder, the late Mike Jackson at the age of 15 in July of 1989. During that time, Michael's Pizza was very good to me and I was a loyal worker for them as well. In January of 1999, my loyalty and dedication was rewarded by having an opportunity to purchase and manage this store in Sango. As our community has grown, so has our involvement within it, like providing pizzas for functions and fundraisers for our local schools and churches.

Recently, there has been a change in the Michael's Pizza structure of business with the formation of a new corporation called *Michael's Pizza, Inc.* which is different from the home owned, home operated principles I have been taught and still use to this day. This corporation has forced me to part ways with the Michael's Pizza family after 18 years.

As of October 1, 2007 we officially changed our name to *Chris' Pizza Village*. Only the name changed. Our pizzas still taste the same; same ingredients are used for all items, as well as everything else on the menu. I would not be surprised if this corporation attempts to open up a "Michael's Pizza" in this area for themselves after forcing me to change our name, but rest assured, it will not be the same as us. I have served you here in this area for 18 years and will continue to do so under the name *Chris' Pizza Village*. Thank you for your continued support!

Sincerely,

J. Chris Daniels

Owner, Michael's Pizza of Sango/Chris' Pizza Village
